

FAMILY LEGACIES

FAMILY BUSINESS EDUCATION

Family Legacies has an extensive library of books and we encourage our clients to educate themselves about what it takes to building a multigenerational family business that leaves a legacy for future generations.

“Successful business families have tremendous respect for the challenge of combining family and business. They understand that the odds of passing on a business to the next generation are not in their favour. As a result of this knowledge, they take the task of succession very seriously and they put enormous effort into it.”

JOHN. L. WARD, PERPETUATING THE FAMILY BUSINESS
